Enrichment | Enrichment is offered by signing up for one of our monthly plans. The plans have been designed to let families select the hours of coverage that best aligns to their recurring Enrichment needs. Any additional Enrichment time is billed at a rate of \$12.50 per hour.
If you would like to include Enrichment in your enrollment, please select from the below plans:
 Plan 1: \$720 per month -> More than 72 hours per month
 Plan 2: \$465 per month -> Between 41-72 hours per month
 Plan 3: \$310 per month -> Between 25-40 hours per month
The Enrichment program is designed to give families flexibility while making the program feasible to administer. All rates are per child. Enrichment plans will be billed separately from tuition. However, no deposit is required. Given that Enrichment needs may change during the course of a year, families may petition the school to change their Enrichment Contract/plan.
